We gratefully dedicate the Echoes of 1951 to Mr. H. B. Turner who is retiring this year as Superintendent of the Warren Public Schools. Through his never-ending devotion and scholarly leadership, he has won the admiration and respect of the community.

FOREWORD

In the Mind's Eye

Even marbles and jacks bring back memories.

Simple pictures are a key to the past. It is through them that we may unlock the door that recalls scenes and events from the jumbled collection of data that is our memory.

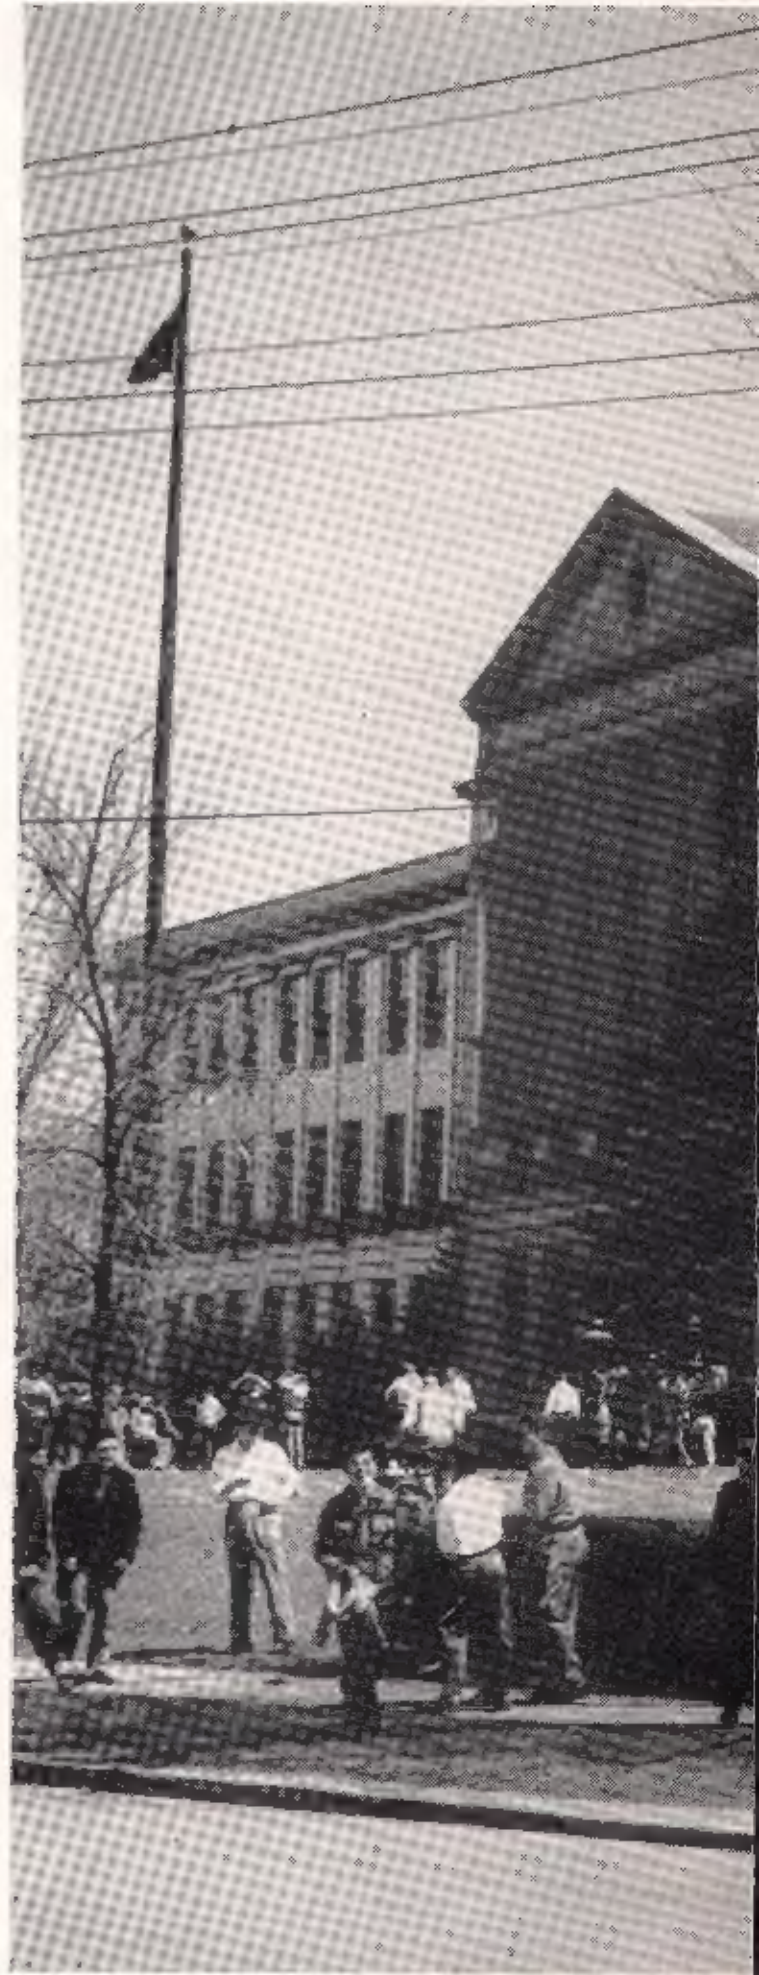

Besides classrooms and clubs each student cherishes the little incidents that occur every day—eating lunch at the Pixie, roaring at football rally skits, and meeting with friends at the fountain for the latest gossip—these to him are Harding High.

With the help of the camera, we have tried to catch this elusive, ever-present spirit and put it down for all time.

And so we begin with . . .

Coach "Chuck" Riffle introduces his new group of specialized assistants: A. Castilla, E. Peaspanen, G. Johnson.

Rugged Rifflemen

"Chuck" Riffle's second year as head football coach at Warren G. Harding showed a marked improvement over the preceding one. This season his two-platoon system was again used effectively as the Panthers compiled a 6-5 record. This mediocre win-loss column does not justify the aggressiveness and determination that was shown by the Warren squad as they struggled through one of the stiffest schedules in Harding history.

Coach Riffle had an entirely new crew of

assistants, especially trained to handle their respective jobs. Adrian Castilla was in charge of the backfield; Elmer Peaspanen, the ends; and George Johnson, the line.

Honorable mention ratings in the poll for All-State players were awarded to a back and several linemen. Many of the squad also received football scholarships to various colleges. With the continuous training plan set up this year, hopes are high for a forthcoming championship team.

The Varsity linemen exhibited outstanding downfield blocking.

The Panthers initiated their 1950 football season successfully by thoroughly trouncing the Collinwood Railroaders. The visiting team was completely out-classed during the first half in which Harding scored all four of its touchdowns. Left halfback Pardee was the offensive star with a pair of six-pointers, one a 92-yard gallop. Of special interest to Warren rooters was the superb downfield blocking that was shown by our linemen. Although this was a splendid and encouraging victory, minor injuries to three key veterans proved to be costly. This game indicated that the Riflemen were slated to be one of the strong teams in this part of the state.

The Harding gridders dropped their first Ohio Scholastic Conference game by a 19-7 margin. Unlike the previous week's contest, offensive strength was sorely missed. Pardee again led the Panthers' attack by setting up their only marker with a 64-yard intercepted pass return. He then plunged over from the one-yard line. The Warren line announced its strength and aggressiveness by stopping the forward wall of the Bulldogs again and again. Outstanding on defense was Glover who halted Canton thrusts at his position. Even though the Panthers lost, they could be proud of having staged a hard-played contest in holding one of the strongest teams in the state to a two-touchdown victory.

Sensational passing and receiving, combined with swivel-hipped running paced the Farrell Night Riders to a crushing upset victory over the Warren eleven. Once again the Panthers could not stir up sufficient offensive spark. Their only TD occurred in the third quarter after a 66-yard march, climaxed by a buck-over from the one-yard stripe. The Warren crowd was stunned by this awesome setback, for the Harding squad had been heavily favored.

A determined will to win plus plenty of speed and power combined to give the Panthers their second win in four starts. A two-game losing streak was shattered when the Harding gridders overran the Mansfield Tygers in their Homecoming game. This impressive victory was the Panthers' first in Ohio Scholastic Conference competition. The biggest single factor was the most concentrated ground attack used by Warren since the 1947 season, for only one pass was thrown during the entire game. The Rifleman dominated action in the first half and left the field with a 13-point lead. The second half was evenly played. Yenchochik and Nicula paved the way for Harding's outstanding defense throughout the contest. An item of interest to local fans was the fine pass defense which allowed only three Tyger passes to be completed out of twenty-three.

Using a well-balanced attack, the Panthers defeated the Memorial Red Devils in the most spectacular game played thus far this season. A well-rounded offense and a stubborn defensive line proved too much for the rugged Campbell squad. This victory was Warren's first over Memorial in the last nine years. Immediately after the kickoff, the fans were bewildered when the Red Devils were credited with six points. The pigskin rolled into the end zone, and everyone thought that it would be taken out on the twenty-yard line; but the referee ruled that Pardee had touched the ball as it bounded past him. A Memorial tackle pounced on it for the score. The lead was short-lived, however, as the Panthers' capable backs opened up with both barrels. The next twelve plays passed with consistent gains and a touchdown for the fighting Warren eleven. After trading TD's in the second quarter, the remainder of the game was a seesaw battle with both sides playing excellent ball. Then, with only fifteen seconds left in the last period, Stroup passed to Gear from the four for the clinching points. Bill Reed had the longest run of the game with a 45-yard touchdown gallop.

Alliance 6

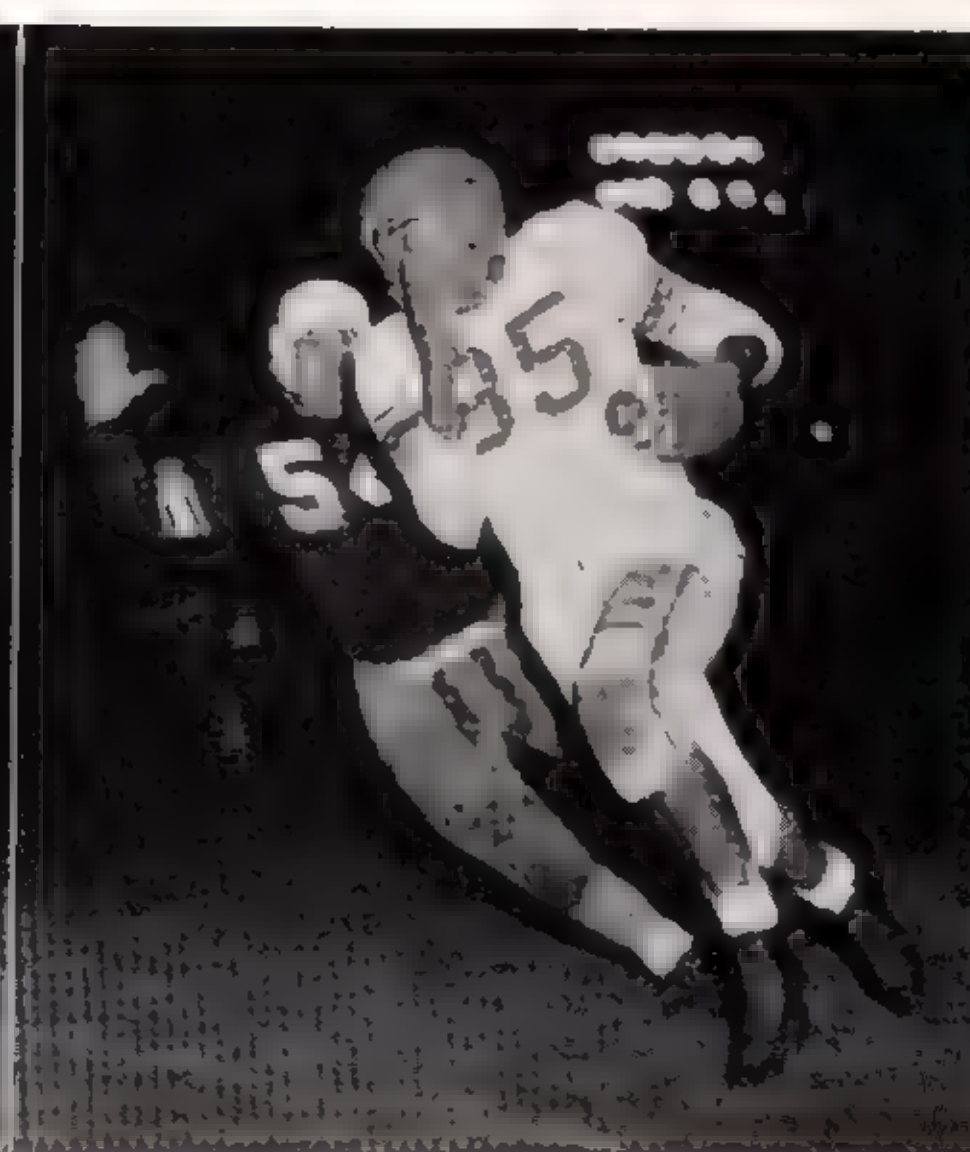

A fourth quarter field-goal with five minutes left to play provided the Harding Panthers with the margin for bagging their third straight and fourth win of the year. The game was defensive from start to finish, with each team able to cross the goal line only once. The Panther TD came in the second quarter when Smith made one of the finest scoring runs of the season as he zig-zagged through the Alliance backfield for the six-pointer. The Aviators then rallied to tie the game in the third period, and no further tallies were added until the dramatic field-goal was kicked from the 23-yard line by Pesanelli. This was an upset victory since the Aviators were considered a State contender.

LEFT: B. Barbutes proves he's hard to stop as he bucks for yardage in the Sophomore game with Cuyahoga Falls.

RIGHT: "Move over. I'm coming through!" whispers P. Smith as he scampers to elude a swift Alliance safety man.

Coach Riffle's determined squad made the Number 1 team in the state fight for every inch of ground during the entire game. The Panthers held Massillon to just seven points in the first half, but the Tigers scored a TD and field-goal in the third period to lengthen their lead. Warren's passing attack was considerably hampered by the cold, drizzling rain throughout the fray. Harding's only six-pointer came by way of a brilliant run as Pardee scampered 72 yards through almost half the Massillon team. The Tigers wrapped up the win in the fourth period when they drove for their last marker. Warren fans will long remember this grueling battle.

Lacking a scoring punch, the Harding gridsters were upset by an inspired Erie team. The Panthers time and again drove deep into the opponents' territory but could not push the ball over the final white stripe. All goals by both squads were registered in the second quarter. The Rifflemen picked up their six points when Gear broke through tackle and galloped the remaining 34 yards. At the very end of the contest the Panthers threatened, but time proved the deciding factor. Bill Reed paced Warren on defense with his dependable line backing.

Pardee accounted for 18 of Warren's 19 points as Harding upset the previously undefeated Benedictine eleven. This was the largest scoring spree by a single Warren player since Bill Bevan totaled 20 points in 1948. The Panthers found themselves behind as Cleveland returned the opening kickoff 92 yards for a tally. The Panthers then poured on the coal, and Pardee accounted for his three touchdowns on runs of 8, 21, and 61 yards. Capito and Gear were the mainstays on defense. This triumph moved the Rifflemen up into a tie for third place in the Ohio Scholastic Conference.

Two sensational touchdown dashes by a freshman Toledo back spelled defeat for Harding High. After falling behind in the first period, Warren tied up the game on Stroup's 6-yard pass to Vair. But Waite sewed up the victory with two markers in the last half. That statistics do not count was aptly shown, for the Panthers controlled all yards gained and first downs.

Niles McKinley 7

On Thanksgiving Day the Panthers wound up their 1950 football campaign with a crushing defeat over their long-standing Niles rival. Although this was a rugged aggressive battle, it was cleanly played throughout. The McKinley Dragons grabbed an early lead on a long pass, but Gear's plunge from the one-yard stripe tied the score at halftime. In the second half, Harding's power broke loose. Pardee tallied two markers on runs and another on a perfect pass thrown by quarterback Stroup. Although the Red Dragons put up a fight, they were definitely outclassed by the Panthers. Much credit for this victory can be given to the defensive team. Such stalwarts as Krafcik, Kanuck, and Capito held Niles to a minus yardage.

Smith demonstrates his broken-field running ability by twisting free from one Niles tackler, only to be boxed in by two more.

With interference headed by Reese James, J. Zoba, and J. Krafcik, D. Pardee drives for one of his three markers against McKinley Red Dragons.

Blankets, papers, canvas, and what-not protected the loyal Panther boosters who cheered throughout the Erie Academy game in spite of a steady downpour.

D. Rogers, Sophomore fullback prospect, trots as if the onrushing Academy player is nothing to worry about.

Coach Riffle, who accompanied his presentation of Varsity letters at the Annual Football Banquet by humorous anecdotes, congratulates Honorary Captain Pardee.

The football cubs proudly maintained the undefeated record the Sophomores of the 1949 season had compiled. This year was Coach Peaspanen's first experience with a Warren squad.

The Tenth Graders played only three games because of numerous cancellations. In their opener they swamped Cuyahoga Falls. Jim Williams was the big gun in the attack with a pair of six-pointers. The Panther offspring then went on to down Rayen on a recovered fumble in the end zone. Warren topped Massillon with a TD and a safety.

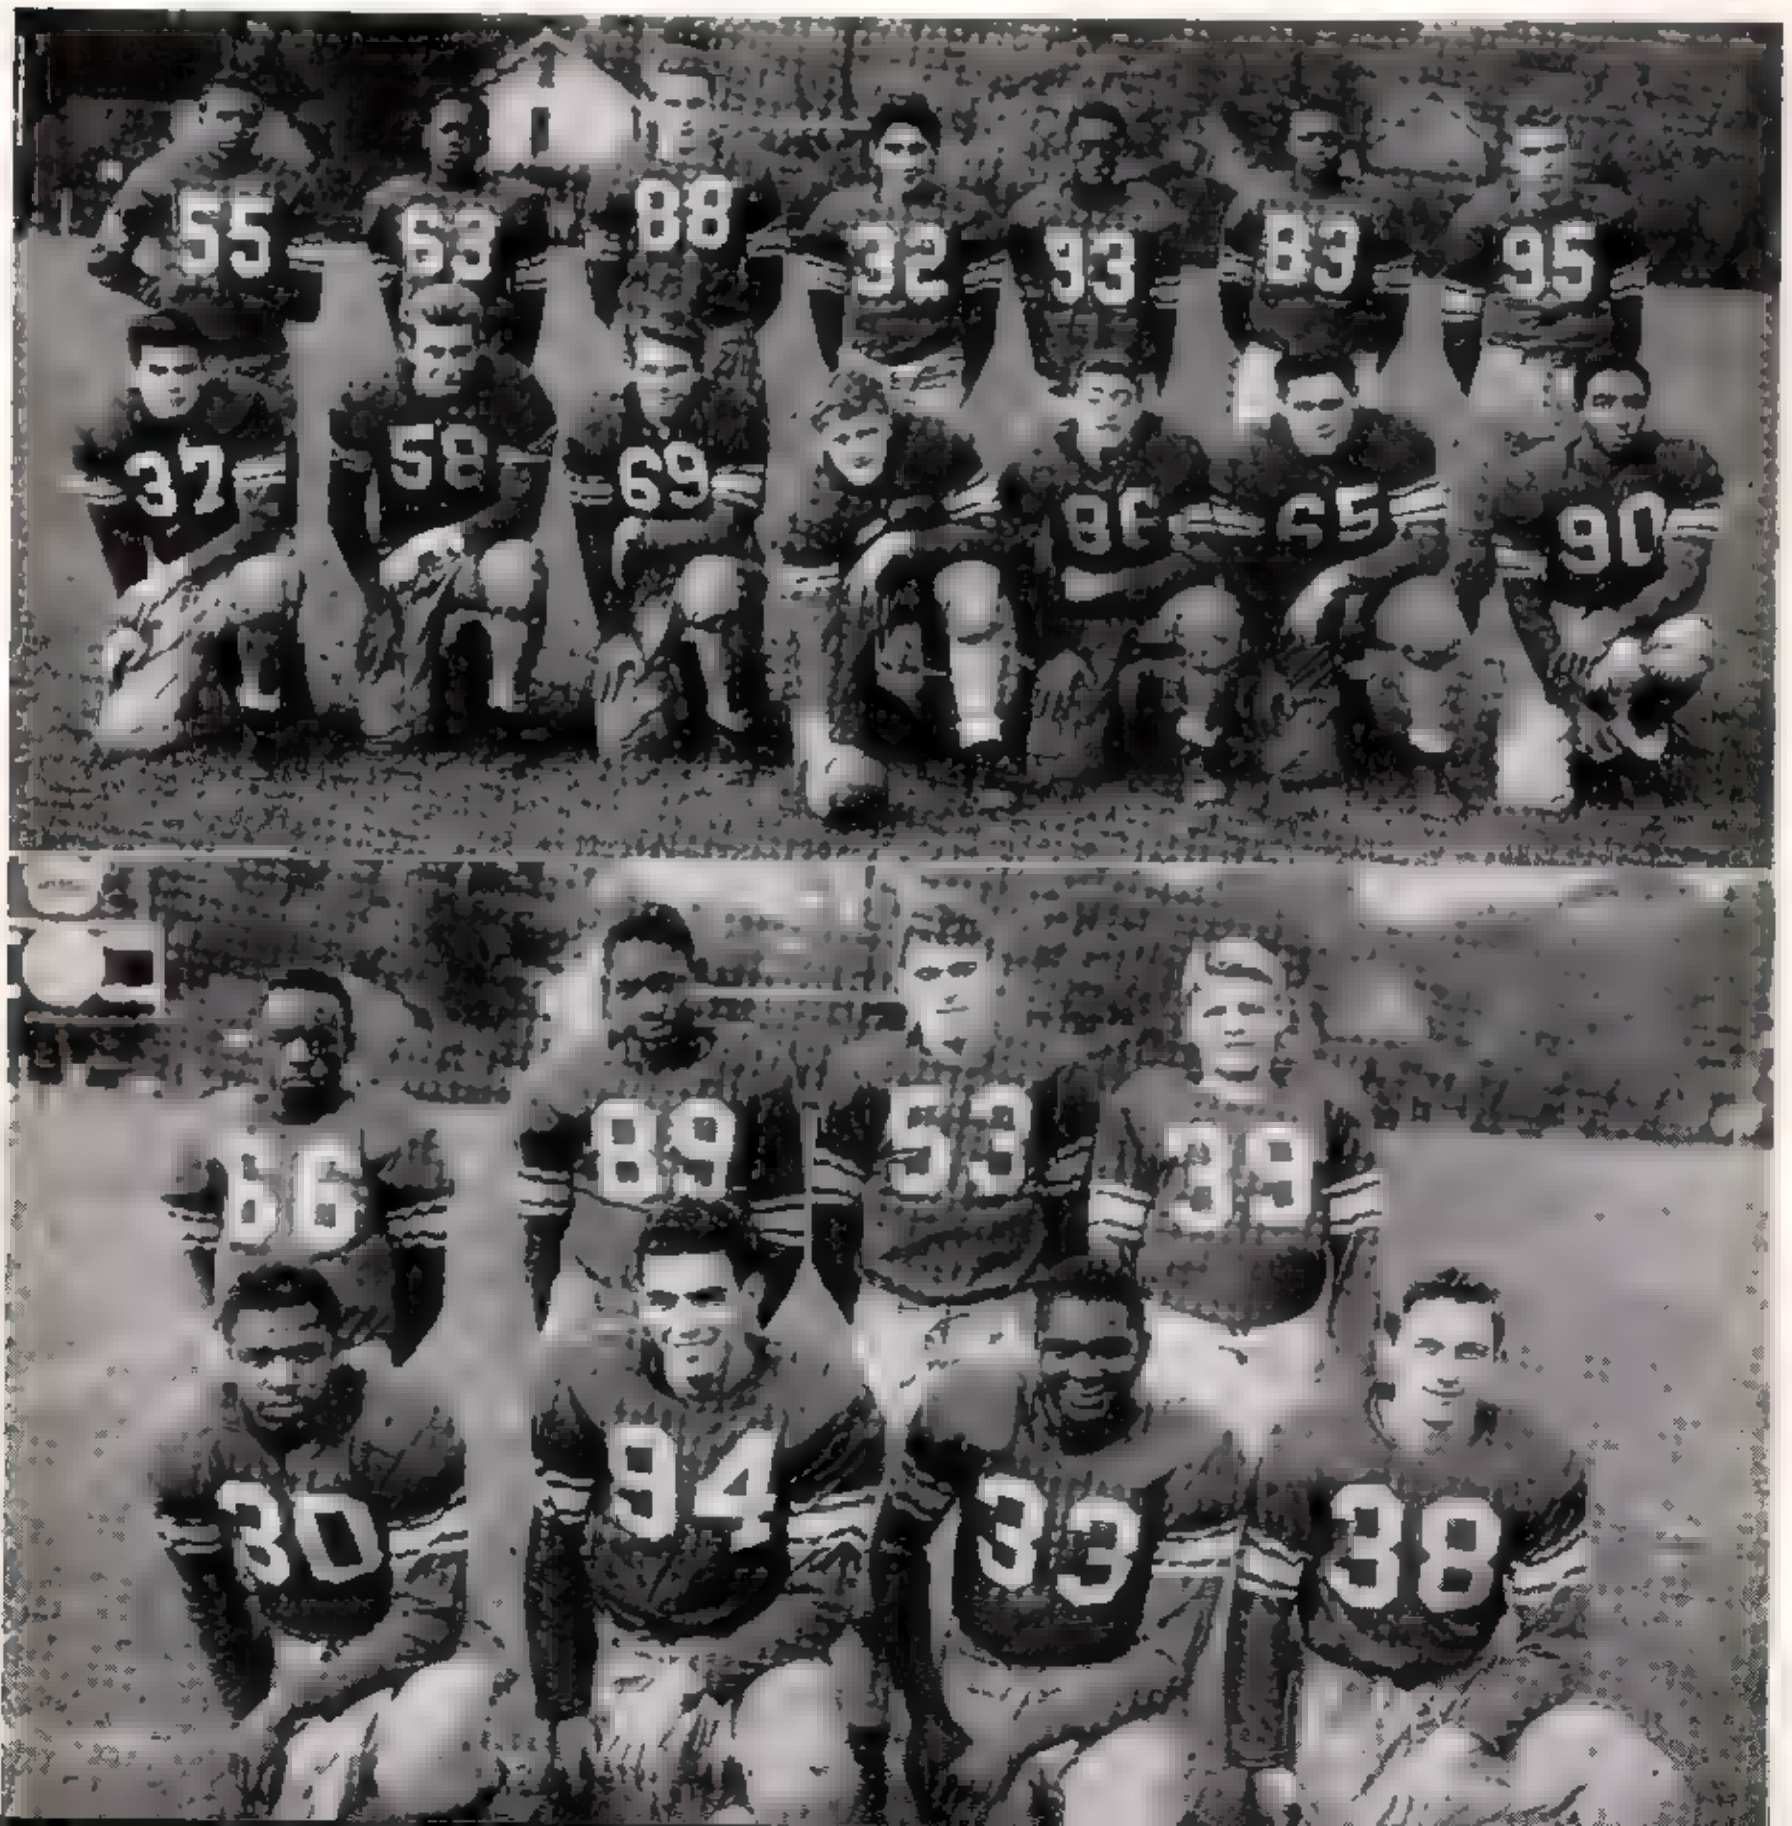

The Sophomores always succeed in promoting a couple boys to the Varsity, but this season they broke their record as several of the Cubs played on the main team in the latter part of the schedule.

Lafferty's Loopers

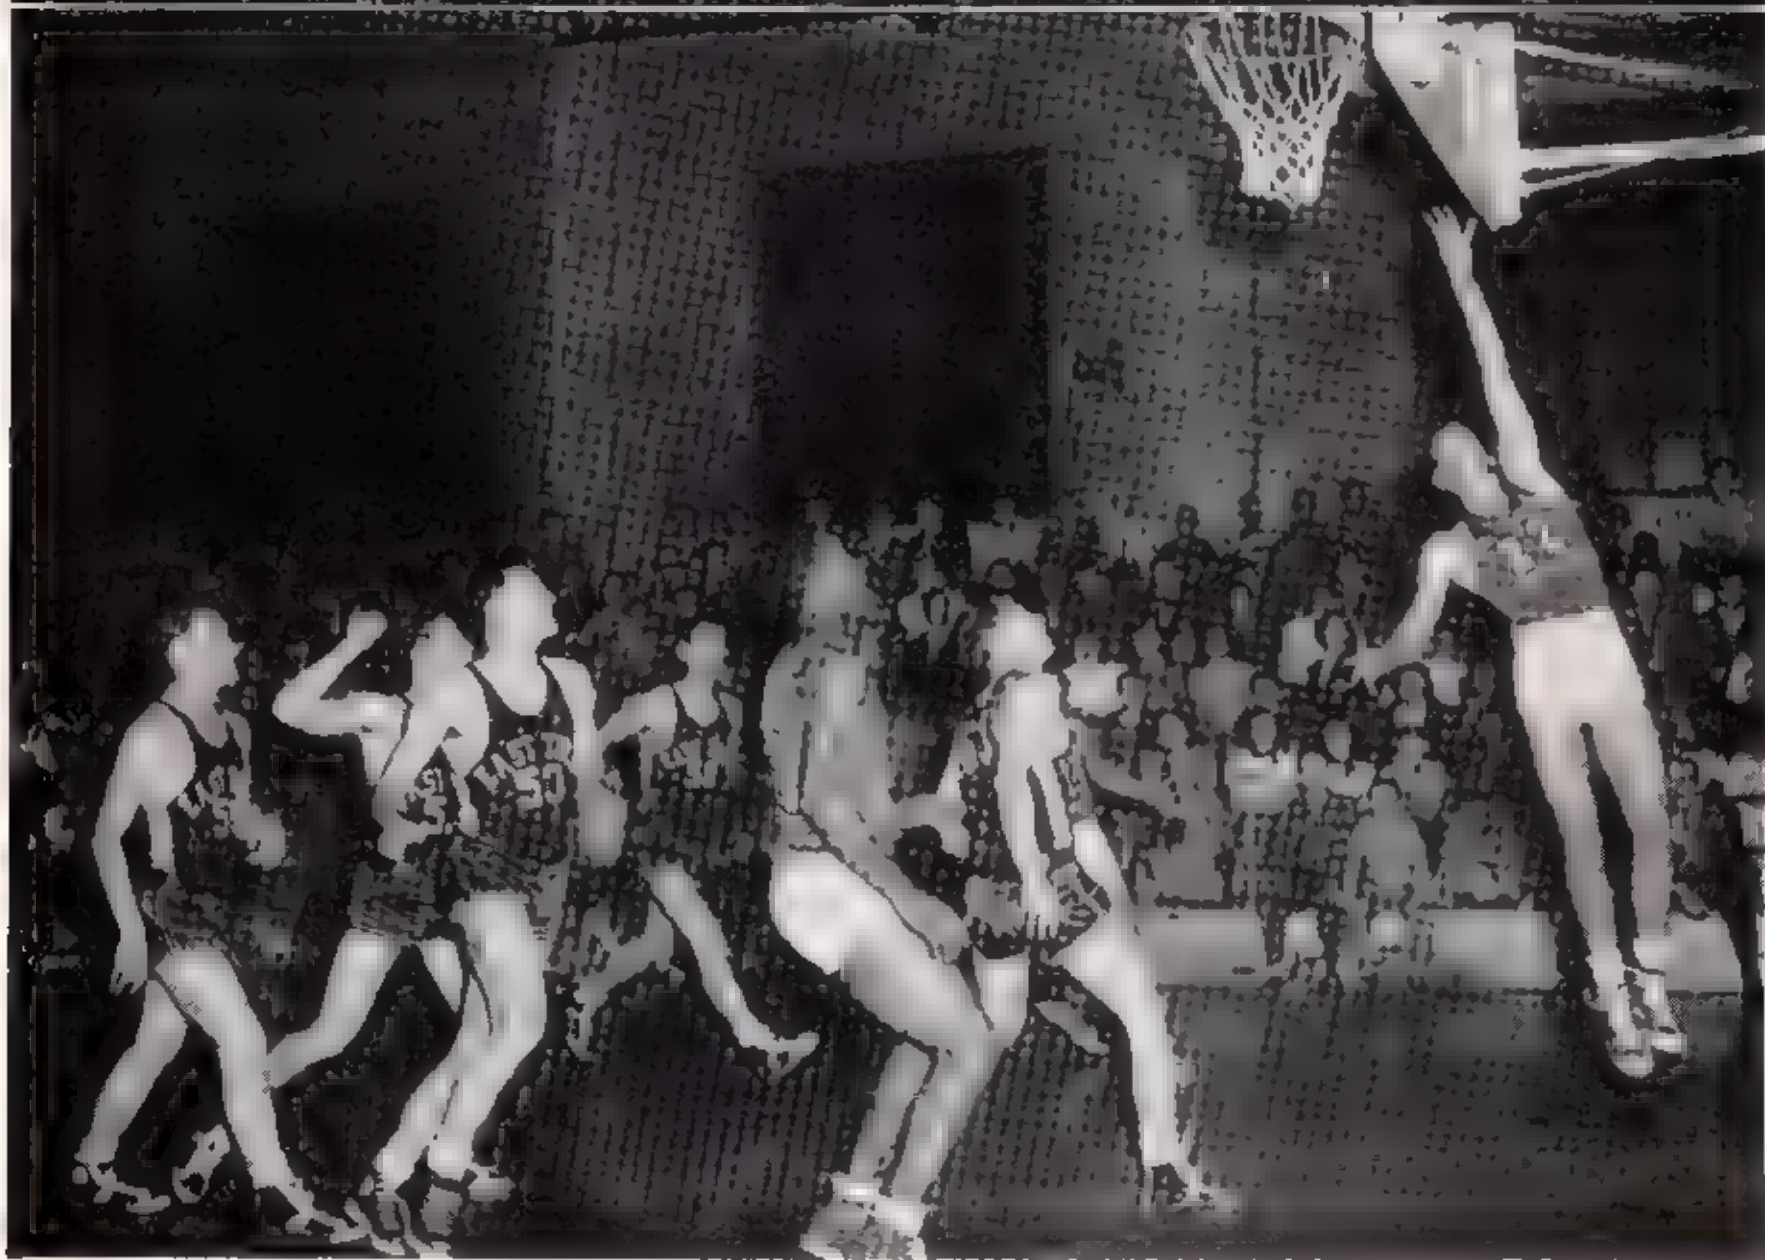

The Harding cagers did not have a good season but did succeed in upsetting two major squads and worrying many others. They defeated a strong Massillon team and a Canton McKinley five that later traveled to the State finals. The Panthers dropped four contests in the last two minutes of play after holding a substantial lead. In the Northeastern Ohio Tournament the Warren Passers were eliminated in their first game by Youngstown Rayen whom they had previously trounced.

Inexperience and lack of height were the main factors in causing the Laffertymen to lose two-thirds of their games. Rodzen and Derr, the tallest boys on the Varsity, were only 6'1". Next year the netters will receive an added lift from the tall Reserve team, plus the return of all but two regulars.

The BIG SNOW automatically cancelled the scheduled opening games with Cleveland Holy Name and Cleveland Heights. Thus Warren's first encounter was with a strong Farrell squad. Lack of practice played a major role in causing the Passers' rout, for six mainstays had only recently been released from Varsity football. The Pennsylvania quintet led consistently and handed the Panthers their worst drubbing in many years. The only cheerful note for Warren was Vlad's fine shooting that accounted for 15 of the 25 points.

Pardee remains high in the air after unleashing a one-hander as a Cleveland East Tech player vainly leaps to block it. White swings into position under the basket for any possible rebound.

Leaving the whole East Tech team in the dust, Stroup drops in a lay-up for the Panthers.

The Panthers chalked up their first win of the year by trouncing a weak East Tech squad. The Laffertymen completely outclassed Cleveland with a swift passing attack and a fast-scoring punch. Stroup led the offense in the first half; Derr added to the rout in the second, thus sharing scoring honors with 14 points apiece. The latter part of the game turned into a foul-shooting contest as numerous personal fouls were committed.

The Harding Whiz Kids made a gallant stand against a tall Tyger team before dropping off the pace in the last three minutes of play. Although the Panthers were much shorter, they worked well under the backboards, especially on defense. The Laffertymen narrowed the gap in the last period, but Mansfield dropped in 6 straight points to halt the rally. Vlad was high scorer for Warren with 18 points, while Bryant added 10.

The Harding cagers returned to the victory road by copping the Shaker Heights tilt. The Warren five jumped off to an early lead and maintained it throughout. The Passers displayed exceptional marksmanship as they tallied almost half of their shots. The hoop seemed a cinch to Vlad who tallied 23 points. This was the highest total of any Harding player since All-Ohio Larry Imburgia caged 26 in 1947.

In a thrilling hard-to-lose contest the Warren Hardwooders' last minute rally fell short. The Hardingites led Lehman throughout the first half but lost the lead early in the third period. Staging a sensational comeback in the closing minutes, they narrowed the gap to just two points before the final buzzer.

These Harding Passers thrilled Warren fans by their precision and fast-moving performances.

The undefeated Girard Indians rolled to their greatest victory over Harding cagers in the 25-year series. The first half was closely contested, but the Indians poured on the power and pulled away in the third period. The Panthers could not find the range at any time.

The Warren quintet lost their third straight encounter when their fourth-period rally fell short. Though they held the lead in the early minutes of the contest, ragged team-play caused them to drop behind. Harding cagers displayed poor shooting as they netted only 11 out of 77 attempts. Even then the Whiz Kids nearly pulled the game out of the fire in the final quarter as they time and again pierced the Canton South defense.

In one of the biggest upsets of the season Warren defeated the McKinley Bulldogs with a slow, deliberate style of play. The Whiz Kids moved the ball swiftly but carefully until they had good shots. The Canton offense, headed by All-Ohio Wendell Early, was held to a minimum by a unique and well-planned defense, which was a combination of zone and man-to-man. This victory atoned for the two-point overtime win the Bulldogs captured from Harding last year.

The Panthers again lost a heart-breaker as they bowed to the Quakers in the last seconds of the game. The Laffertymen led throughout by a slim margin before Salem tied the score, with a minute to play. Derr broke the tie with a foul toss. Warren then tried to freeze the ball, but the Quakers intercepted a pass and won on a lay-up. Although the Salem squad averaged 6' 3", they were pressed to the limit to notch this conquest.

East Liverpool jumped to an early lead and readily handed the Warren cagers their seventh setback. The sharp-shooting and height of the undefeated Potters were too great an obstacle for the Whiz Kids to overcome. Harding trailed only by a few baskets but could not sufficiently rally to catch the Liverpool five.

During a time-out in the Youngstown Rayen game, Varsity gives ear to Coach Lafferty, who punctuates his pointers with gestures.

In a renewal of the series with the Red Dragons that was discontinued in 1945, the Niles squad emerged victorious. The Panthers were unable to halt their fast-paced attack. Harding's offense was first rate, but the Red Dragons' marksmanship spelled the difference. The Whiz Kids came closest in the early minutes of the fourth quarter when they trailed by seven points.

The Panthers continued their hard-luck style of play by dropping a decision to Timken that they seemingly had in their grasp. The Laffertymen played brilliant ball throughout, and they had a 9-point lead, with just four minutes left. In an unbelievable rally, aided by Warren's shoddy ball-handling, the Canton five pulled ahead in the last 30 seconds, and froze the ball to obtain the win.

The Warren Cagers snapped their four-game losing streak and moved back on the victory road by trouncing a visiting Rayen team. At the close of the first half, the Panthers were ahead by a mere one point. However, in the third period they showed their best brand of ball this season, as they netted 10 of 17 shots and tallied 21 points. This proved sufficient to crush the Youngstowners. Vlad showed his scoring ability by meshing 21 points. Donley revealed especially spectacular marksmanship as he caged 4 out of 4 shots.

In a toss-up against Rayen, Vlad awaits Reed's tap so that the Harding five can switch into their speedy style of ball-handling.

The Harding Panthers continued their losing ways as they dropped their tenth decision at Alliance. The Laffertymen seldom clicked on visiting courts, for they captured but one of seven out-of-town games to date. After grabbing a 4-point lead, they fell apart and were never again a threat. Warren players were often switched in an effort to obtain a smooth combination, but to no avail.

The Harding netters re-entered the win column as a revamped squad swamped Akron Central. Four new faces were seen in Warren's starting five. The strategy paid off, for they picked up an early margin. This was the most balanced offense the Panthers had yet staged. Donley's long set-shots highlighted the game as he collected 15 points. Bryant had 13, Vlad 12, and Hyman 11 to continue the high-scoring attack. Unlike previous contests, fine marksmanship was shown as the cagers meshed 33% of their shots.

The Panthers were handed their worst drubbing since the first game of the season as they nearly had the score doubled on them by a rangy Euclid squad. The opponents' height assured their dominance of all rebounds. Unlike the previous week the Whiz Kids could not hit the hoop. They made only 3 points in the first period and then could not narrow the gap.

In their best performance of the season the Harding netters pulled a major upset by downing the powerful Tigers. The game was packed with excitement as the lead changed 15 times and was tied 10 times. With only a minute remaining, Massillon was ahead by three points. They froze the ball; but with seconds left, Stroup stole a pass and drove in for a lay-up. He was fouled, and his free throw tied the score. In the overtime period Harding thrilled the crowd by netting nine points to sew up the victory. This was the first time in 10 years that Warren High topped Massillon.

"Over this way," yells Vlad as Derr and Reed battle with two Canton Timken cagers for possession of a rebound.

Unable to maintain the powerful offense of the previous week, the Panthers suffered their twelfth defeat to wind up the 1950-51 regular season. They led at the end of the first period but could not hold the edge. Ursuline showed the aggressiveness that had netted them 19 victories as they battled for the lead and then kept it.

The Harding Panthers lost their first game in the N. E. O. District Tournament to a strong Youngstown Rayen squad and were thereby disqualified from further play in the tourney. The game was nip and tuck all the way with the lead frequently changing. Then Rayen swung ahead by eight points, with two minutes to go. The Laffertymen made a gallant effort, but their rally fell short. Rayen proved a powerful tournament team by reaching the district semi-finals before they were finally edged.

Seem, Reserve guard, drives in for two points as a visiting McKinley Bulldog tries vainly to block the shot.

Donley and Vlad anticipate a rebound from Derr's hook shot, tossed in spite of a barrier of Timken players.

The basketball Reserves suffered one of their worst seasons in Harding's history. In spite of the Cubs' advantage in height, a winning combination just couldn't be achieved. Their offense was especially ragged as they repeatedly made poor passes and tossed the ball away. Though Coach Kemp switched players the second semester when recruits entered Harding from the junior highs, the team still did not click.

At times the Reserves played brilliant ball, such as the game with the McKinley Bulldogs. They were nearly unbeatable as they trounced the previously undefeated Canton quintet. They also made a good showing against several other opponents. Two of the starting five on the Cub team played Varsity ball toward the end of the season.

In the spring of 1950 Don Baker ended his career as golf instructor at W. H. S. His team consisted of mostly sophomores and juniors. After losing their first five meets, the golfers went on to win the next four. Finishing fifth out of a field of eleven in the Yankee Run Tournament, the Harding linksmen traveled to Can-

ton to take part in regional competition, but they did not qualify for the State meet. The mainstay of the Warren squad was Thompson, who was closely followed by Zofko and Hallock. All but three of the regulars returned for the 1951 season under the guidance of Coach Dwight Lafferty.

The 1950 Harding baseball squad with the return of two veteran pitchers, Stacy and Lotz, plus a hard-hitting lineup captured the Mahoning Valley Baseball League title. The record of the Panthers in League play was eleven wins and three losses. They gained the title for the second straight year by defeating Woodrow Wilson 5 to 4 in a play-off game. Nester's ninth-inning homerun provided the margin of victory.

Another feather in the cap of the Warren team was the championship of the Ohio Scholastic Conference that was played at Mansfield. To obtain this honor the Hardingites defeated Mansfield 3 to 1 on Long's circuit smash, and then went on to trounce Toledo Waite.

Many outstanding highlights marked the baseball season. The Warren mound crew twirled the unbelievable number of five one-hitters. Another feature was the heavy hitting displayed by several of the Harding batters. Nester was tops in the homerun department. The only discouraging incident was the loss to Hubbard that eliminated the Panther eleven from participating in State competition. This well-balanced squad might have gone far in the Columbus Tournament.

Dwight Lafferty, after a fine record as baseball coach for twenty years, resigned from future diamond activities. Coach Lewis Kemp, his successor, took over the squad this spring.

Weber's Wingers

Although there was no particular star, the Harding tracksters fielded a powerful team in 1950. In dual competition they lost but one meet, while winning four. Their only defeat was by Youngstown Rayen, the last dual encounter of the season.

At the Mansfield Carnival, Warren finished third. The Panthers' best performances included Barbutes, who came in second in the 220-yard low hurdles, and the mile relay team, which was runner-up.

At the district meet in Salem the cinder-burners compiled only 1½ points, but the mile relay team qualified for the State Tournament at Columbus. However, they did not place there. The team consisted of Hooks, Williams, Mehall, and Latimer.

The Panthers, being strongest in field contests and sprints, usually succeeded in placing in these events. Bill Reed was the stellar dash-man. On the whole the season was successful, and best of all many outstanding veterans returned in the spring of '51. Upon Coach Weber's resignation from Harding athletics last June, George Johnson was assigned as track coach.

At the Boardman meet M. Scarpaci, field events star, shows the proper way to heave that shot.

F. Dowell displays the high-jumping form that enables him to leap nearly 6 feet.

C. Battles breaks the tape in the 440-yard dash against Boardman, giving the Panthers first place.

B. Barbutes, sophomore low-hurdler, knocks over a hurdle which costs him the seconds needed to place against Boardman.

Warren Wrightmen

Coach Wright's 1950 crew, which contained only three veterans, swept over all opposition to gain an undefeated record. This squad won the Mahoning Valley Championship for the first time in Harding's history. Their league record was five wins and no losses.

At the Mansfield Carnival the Panther netters racked up no points but gave the victors the stiffest competition of any team that participated.

In the district tournament Politsky and Kachelries played their best matches of the year as they were runner-up for the doubles championship. They thereby qualified for the State meet. At Columbus this Warren doubles team was beaten in the first match and was therefore eliminated.

Because of lack of adequate court facilities and the low state of athletic funds, tennis at Harding for the '51 season was dropped.

The Harding cross-country squad ran in but four meets in the 1950 season. The two-milers' progress was greatly hampered by bad weather. Because football training kept Coach Johnson busy, John Streitterdt, former Harding track ace, handled most of the practice sessions.

The Warren harriers won their first meet of the year from Leavittsburg, with R. Boyle finishing first. At the Akron District Tournament the Panthers did not qualify any runners for State competition, but Boyle received a medal for finishing in the first twenty.

The Girls Athletic Association is well known for its variety of contests. One match or another takes place at 3:00 on every school day.

In the spring of '51 the G.A.A. renewed competition in ping-pong and shuffleboard. These sports had been dropped in the 1950 season.

To supply money to purchase their letters and pins, the girls handled the concessions at every home basketball game. As the Amazons are hard on ping-pong balls, funds from the treasury replenished the shortage.

The highlight for G.A.A. members is the semi-annual presentation of letters and pins that are earned on a point basis for participation in the various events. The highest award possible is the gold pin. (List of June awards of '51 was not released in time for publication).

THINK ON THESE THINGS:

Leaders are ordinary persons with extraordinary determination.

Luck is what happens when preparation meets opportunity.

Common sense and good nature will do a lot to make the pilgrimage of life not too difficult.

A successful man is usually an average man who either had a chance or took a chance.
